Nestled within the stylish ESSE complex, this immaculate two-bedroom, two-bathroom apartment offers a blend of elegance, security, and convenience. Situated in a prime location, it provides easy access to various amenities, including parks and public transportation. The contemporary kitchen, complete with Miele appliances, sleek stone countertops, and sophisticated dark mirrored splashbacks, adds a touch of refinement to the open-plan living and separate dining area. This space seamlessly connects to a covered balcony which extends the living space and offers a vibrant outdoor view. The well-proportioned bedrooms feature built-in robes (main with ensuite), while modern conveniences such as, video intercom system, inverter heating/cooling, elevator access, and a dedicated parking space (non-stacker) are included. Additionally, this property falls within the sought-after Strathmore College zoning, making it the ideal choice for those seeking a refined and well-appointed residence.
