Discover a distinctive living experience at Bayside Tower—an exclusive enclave seamlessly blending sophisticated, urban design with the charm of inner-city apartment living, just moments away from the picturesque Port Phillip Bay. Crafted by the renowned and award-winning architects, Elenberg Fraser. Escape the confines of the inner city without sacrificing the allure of a cosmopolitan lifestyle. Bayside Tower offers a rare opportunity to revel in the best of both worlds. Step into a world where contemporary interiors bask in natural light, creating a captivating atmosphere. Modern finishes and soothing neutral tones serve as a canvas, inviting you to infuse your personal style and transform your space from a mere apartment to a true home. Entertain effortlessly in a spacious environment adorned with stone bench tops and equipped with European-style appliances. This two-bedroom haven features a main bathroom, an open-plan kitchen living area that seamlessly extends to a balcony with sweeping views. Revel in the comforts of reverse cycle air-conditioning, a dishwasher for convenience, and the added luxury of secure undercover parking. Your new home awaits—experience the epitome of modern living!
