Bring your vision, toolbox and enthusiasm and roll up your sleeves for the challenge and satisfaction of bringing this double brick cottage back to life. There are high ceilings and fireplaces with mantles plus nicely sized rooms to get you started. There are three bedrooms, a formal lounge plus kitchen and bathroom. It's been in the same family for many, many years, and it's now time for a new owner to make the most of the opportunity presented to create a wonderful, traditional home with all the modern conveniences. In a brilliant location not too far from Bill's Beans and East Orange Post Office and close to schools and sporting facilities, the home is on a good-sized block with enough room in the backyard to consider an extension of the home. What could you do with a project like this?
