Just minutes from beautiful Lake Leschenaultia, is this amazing property with so much to offer. The home was built in 2010 from solid Jarrah weather boards with steel and jarrah frame. The elevated position gives views of bushland and pasture across the valley. Lovely wide verandahs to sit and take in the view. If you enjoy tinkering in the shed - this is the shed for you!!, huge area for parking plenty of vehicles, mezzanine floor, plumbing, kitchenette and more. Five acres of mostly pasture. The stunning home has beautiful polished wood flooring, feature ceilings, quality tiles and fixtures and fittings, Tasmanian oak kitchen, solar panels and many other lovely features. A large open plan kitchen dining and family areas form the hub of the home and have windows looking over the view and into the back garden. Separate formal lounge and formal dining area are to one side of the living area and the large master bedroom suite is accessed off this room. The master bedroom has views over the property, a walk-in robe and modern en-suite. At the other side of the home you will find three more generous bedrooms, a well fitted laundry and separate toilet and a modern bathroom. Split system air conditioning, ceiling fans and cosy log fire for your year round comfort. The workmanship is all to a high standard. Outside to the rear of the property is a privately located one bedroom granny flat, perfect for guests or extended family. To the rear of the home is a tidy back garden area, enclosed orchard/vegie area and aviary or chook pen. The property has car ports for at least 4 cars. There is plenty of room for a couple of horses and a container to use for feed and tack. All in all there is a lot to see here, make your appointment with Joanna today on 0409 847 102.
