This immaculately presented home is spread over a 1390sqm block. This gorgeous property has the WOW factor that will excite the savvy home maker. Effortlessly elegant street appeal highlighted by the formal horseshoe driveway, with a double lock up garage and additional parking for the boat, trailer and extra cars. The front door opens into a foyer to greet your guests or kick off your shoes. The generous living room is tiled and has large bay front windows that capture the cool sea breezes. The bespoke bar is striking and adds a focal point for family and friends to gather. The modern and well designed kitchen hosts a corner pantry and plenty of prep areas with views over the backyard. The media room is perfect for home movie nights; snuggle up on the couch and drop the projector screen down to enjoy that cinema experience in your own comfortable space. The master bedroom suite is front facing with garden views and includes an ensuite bathroom and walk in robe. There are 3 bedrooms down the hallway with the 5th Bedroom located off the dining room; this room can easily function as a home office/study. Outside this home continues to impress on a grand scale with a full length verandah offering plenty of outdoor entertainment areas. The inground swimming pool has a swim up bar and adds to the resort style Pavilion. The gardens continue around the back of the home with fruiting bananas along with plenty of colour and tropical foliage to fill your vases year round. On a functional aspect, this home has a built in workshop/storeroom and a pool change room. Walk to nearby parklands with play areas for the kids. Ride your bikes to the schools, the local shops or the beach. Spend your free time strolling along the Casuarina Coastline. Built to last, this home has stood the test of time and for the first time in 30 years, is ready to come to market.
