\$495,000

This well-appointed apartment is ideally located within the center of Kedron and presents everything that the suburb has to offer right at your doorstep. With an endless amount of shopping locations on every corner along with the new and improved Bradbury park right on your doorstep this home is offering up a lifestyle that is second to none. Featuring a modern kitchen with white stone bench tops and stainless-steel appliances throughout, an open planned living and dining space, and an airy covered rear deck. With the master having a spacious built-in robe and a large en-suite fitted to a high-quality standard. With apartments holding a strong position in the current market, an example such as this will not last long! FEATURES: + Modern kitchen with open planned design. + Open planned living and dining space. + Air-conditioning in main living area + Fans in both bedrooms. + Master with en-suite and built-ins. + Security screens throughout. + Spacious and airy deck. + One car accommodation in a secure garage. + Great access to shopping, arterials, and high-end schools. + Elevator servicing all floors of the building.
