All amenities close by; city shopping, public transport, parks, and entertainment at the Waterfront or a movie at the Deckchair Cinema. With an apartment in the Zest building on the fringe of Darwin CBD, you're in the midst of it all! This tidy 1 bedroom apartment is great for a downsizer or first home buyer, or for an investor to rent. It's open plan layout gives the apartment a sense of space, with large doors opening up to the private balcony from where you can enjoy your morning cuppa, or a cool beverage after a long day at work. There is a study nook with heaps of extra storage space that could easily be cordoned off to use as a temporary bedroom for visitors as well. The full size kitchen comes with ample cupboard space and has an electric cooktop, oven and dishwasher for your convenience. The bedroom makes clever use of the space available with overhead cupboards in addition to the full size wardrobes either side of the bed. It's an ideal place for anyone with a busy lifestyle, that doesn't want to be cleaning all the time or having to upkeep a large property. There's even a pool in the building, from which one can enjoy the views over Fisherman's wharf and Bayview. What are you waiting for?
