Auction

Encapsulating refined city living through elegant design maximising glorious views, this contemporary two bedroom apartment is mere seconds to Smith Street and a host of vibrant cafes, restaurants and bars. Looking far into the distance, taking in church spires and sleepy mountains, the lofty corner position impresses with a wealth of double glazing ushering in plentiful sunlight. A sophisticated kitchen, meals and living domain is filled with luxury appliances from Asko and Miele, complemented by an integrated fridge/freezer, stunning stone surfaces and fluted details. Linked to the living zone and one of the two restful bedrooms you'll find a covered northerly balcony, destined to deliver extraordinary evenings. Fully tiled, the chic bathroom highlights a rainfall shower, whilst the home also provides a concealed laundry and impressive storage. Heating/cooling, elevator access and off street parking add more appeal, and with trams oh-so-close there's no need to have a car at all.
