Ultimate in low-maintenance luxury, this custom-built home delivers an environment of unrivalled quality with its light-filled layout and cutting-edge style. Featuring four bedrooms, the spacious interiors showcase sought after multi-level living, deluxe accommodation options and a seamless connection to the outdoors. Custom designed with extra-large room sizes, leafy aspects, crisp white walls, and tall ceilings - an expansive living domain is the focal point of the home. Warmed by an open gas fireplace for family nights in, or throw open tall glass sliders and dine al fresco amidst the garden in a north facing courtyard - where entertaining is made easy. A fully appointed chefs kitchen adds to the stylish feel and functionality with stone finishes, smoked mirrored splashback, wrap around benchtops, ample cupboard space and top of the range appliances. Modern families will appreciate a versatile layout with a spacious master suite boasting a fully fitted walk in robe and hotel style suite. A full-sized laundry, a downstairs powder room, striking lighting, bespoke cabinetry, internal access automatic double garage, excellent storage, and a host of luxury extras - this truly unique offering surpasses all expectations for a blissfully indulgent family lifestyle close to Brighton Grammar School, Firbank Grammar School, North Brighton Beach, local cafés, Gardenvale and North Brighton train station and moments to Martin & Bay St. At a glance:

- 4-bedroom, 2.5-bathroom family home
- Multiple living zones
