The G.J. Gardner Homes Forest Park design range seamlessly blends the relaxed comfort of a family home with the modern conveniences of a contemporary urban lifestyle. Designed with families in mind this design boasts plenty of living space including a separate kid's zone with central Activity and Study. The master suite is privately located to the rear, completed with Ensuite and Walk in Robe. The heart of the home is a spacious, open-plan kitchen, living and dining area with butler's pantry that continues outdoors to a covered Alfresco creating the ideal place for the family to relax, connect or entertain. Featuring four bedrooms, two bathrooms, a study and three separate living areas, the Forest Park has everything the growing family needs. Allow yourself to imagine the lifestyle you've always wanted; in the home you deserve! The Forest Park design offers individually crafted facades that will inspire you by providing a choice of homes that reflect your personal lifestyle and preferences. For optimal site use, this design is best positioned on sites with the north aspect towards the rear & side of the home, providing sustainable and comfortable living conditions throughout the year.
