Exceptional design has created an outstanding home with space, quality and exacting craftsmanship in a unrivalled location a mere 500m from the foreshore and a short stroll to Rye shops and eateries. The like-new four-bedroom townhouse lets you and your family enjoy high-spec luxury with double garage, two spacious bedrooms (BIRs), fully tiled family bathroom with stand alone bath and laundry situated on the ground floor. Upstairs the open plan living and dining enjoys floor to ceiling sliding doors that open out to the north facing balcony, filling the living with natural light. The gourmet kitchen is fitted with quality stainless steel appliances and the large island stone benchtop provides ample space to entertain with ease. On the split level above, the master bedroom featuring with ensuite and fourth bedroom(BIRs) complete the home. Also featuring split system heating and cooling, the property provides an enviable low maintenance lifestyle.
