High calibre style & sophistication meet supreme low maintenance at this quality-built brand-new townhouse in one of Highett's most sought-after tree-lined streets. Flaunting the finest of finishes and bathed in streams of natural light, the home's chic & contemporary façade gives way to stunning interiors enhanced by quality appointments such as coastal-cool Engineered Oak floors, plush carpets and high ceilings which flow seamlessly throughout. Well suited to downsizers, young families and busy professionals in equal measure, accommodation includes three robed bedrooms – master with walk-in robe & luxe ensuite – a dedicated study area with built-in joinery, a beautifully tiled main bathroom with freestanding tub plus an impressive open plan living/dining zone; a space that can accommodate even the largest of gatherings with ease. The designer kitchen is equipped with premium AEG appliances and boasts substantial storage and preparation space, perfect for whipping up a storm for family & friends. Banks of stacking sliders extend the living outside to a private landscaped garden and alfresco terrace which is plumbed and powered with natural gas BBQ connections for effortless summer entertaining. Kept comfortable thanks to ducted heating and cooling, the flawless single-level home also features a full laundry, water tank, exposed aggregate driveway and auto garage. Footsteps to great coffee & breakfast at The Little Elephant, the home is within moments of St Agnes' Primary School, the expanses of Peterson Reserve and bus stops while Highett's thriving restaurant scene and station are just moments away.
