\$520,000

What we love is the tranquil position of this fantastic street-front single-level villa that doubles as the perfect first home, down-sizing option or an astute investment property, nestled in a wonderful location that is close to everything you could ever want or need. Open-plan living meets low-maintenance outdoor entertaining here, as well as a desirable “lock-up-and-leave” lifestyle where the likes of bus stops, the sprawling Des Penman Reserve and outstanding community sporting facilities are only footsteps away from your front door. Excellent schools and shopping at Northlands Plaza, the local Nollamara village precinct, The Square at Mirrabooka and even the new Roselea complex in neighbouring Balcatta are also very much within arm’s reach. Even our vibrant Perth CBD is approximately 15 minutes away in its own right, whilst our pristine Western Australian coastline is also nearby – only a major artery or two away, as well. Talk about easy to enjoy.

What to know

Features of this value villa include, but are not limited to;

- 3 bedrooms
- 2 bathrooms
- Tiled open-plan living, dining and kitchen area
- Tiled kitchen splashbacks
- Over-head and under-bench kitchen cupboard storage
