Empty so "immediate possession" available. Great location within easy walking of the Birkdale train station and Birkdale Fair shopping complex and public school. Convenient driving distance to the main Capalaba shopping precinct and Wellington Point Cafe Culture and Moreton Bay in the other direction. Two bedrooms, second toilet downstairs, garage with internal access. The living downstairs opens onto a private courtyard with a sunny northern aspect, the main bedroom upstairs has the same aspect with a balcony that catches the sultry summer breezes. In this climate of rising prices this townhouse is at the affordable end of the market, particularly for the south eastern bayside Brisbane. Don't miss the opportunity because they are becoming harder to find!
