| A unicorn! The godfather of penthouses with views! | Bigger than a house, an exquisite designer residence with lift access | Hovering on the North Eastern corner, all day light | An exceptional floorplan with the kitchen playing centre stage, rightfully so | This exceptional kitchen took out the best kitchen award for 2022! | Marble finishes with a dream breakfast island where you can enjoy those views | A colossal N/E terrace wraps the entire apartment with gun barrel ocean views | Enormous living zones all flow to that terrace, complete with gas fireplace | Sky high ceilings & endless all day sun, fully ducted reverse cycle air conditioning | The master suite is reminiscent of a 5 star hotel complete with walk in robing, an ensuite & private terrace access | The second bedroom is just as luxurious | Enjoy lock up garaging large enough for 3 cars! Lift access right to your front door | A stunning block set amongst endless shops, cafes & transport within walking distance to the beachfront | A rare opportunity to acquire one of 'the beaches' best penthouses
