Built in 1961 on a wonderfully wide block and enjoyed by the one family ever since, this brick-veneer beauty provides a lifestyle of immediate quality and flexibility along with terrific scope to renovate or renew in the future (STCA). Excellent presentation from start to finish, the home's comfortable interior comprises three bedrooms (two with built-in robes), as well as a spotless central bathroom and separate WC. Filled with natural light, the front living room leads through to the open family/meals area and adjoining kitchen. Features include split-system heating/cooling, full-size laundry and original steel-frame windows all-round, plus the added appeal of a wide backyard with undercover patio, large studio/guest bedroom, handy garden shed and remote-control double carport. In a family-focused neighbourhood walking distance to West Street Village shops and eateries along with local buses, HE Kane Kindergarten and St Thomas More Primary School, it also offers easy access to Glenroy Station and the Ring Road.
