A deluxe contemporary retreat beyond its picturesque character facade, this reimagined period home captures the essence of sophisticated quality with a superb design that focuses on easy low maintenance in/outdoor living. It has been expertly extended and transformed to offer a spacious and ultra-modern living space in a premium Leichhardt street that's footsteps to Pioneers Memorial Park, and all of Norton Street's lifestyle attractions. This immaculate residence is perfect for buyers who are keen to live, relax and entertain in bespoke luxury, and it's now ready to move into and enjoy with nothing more to do or spend. Superbly renovated and rebuilt with high attention to detail. Crisp contemporary interiors feature engineered oak flooring, extra-height ceilings and excellent natural light throughout. A spacious open layout with an easy flow to the outdoor area. An ultra-private courtyard haven includes a garden cabin/studio. A quality Caesarstone island kitchen and high-end Miele appliances. Four bedrooms include a versatile 4th bed/lounge plus attic storeroom. Upper-level master retreat with built-in storage and designer ensuite. 7.4kW of solar panels, air-conditioning and excellent storage throughout. Nestled in a leafy boutique street with plenty of parking available.
