\$280,000

This 1031m² block of land in Cannonvale is a fantastic opportunity for those aspiring to build their dream home. Its generous size allows for the creation of an expansive backyard and outdoor entertaining area, perfect for family gatherings and recreational activities. Situated on a quiet cul-de-sac, the block offers a peaceful and private setting, enhancing its desirability. Its prime location provides convenient access to essential amenities, including local primary schools, shopping centres, and public transportation. This proximity ensures that daily living needs are easily met, making it a convenient and practical choice for families. In summary, this prime piece of real estate offers an exceptional opportunity to design and build a home that perfectly suits your family's lifestyle. The combination of spaciousness, a tranquil setting, and convenient access to amenities makes it an ideal spot for your dream home in Cannonvale.
