Celebrating the high rising grandeur of its mountain outlooks, this Spanish style villa brings you the wall-to-wall pleasures of a European resort at the heart of Golden Mile. A dramatic indoor pool gives you poolside freedom whatever the weather, with sandstone brickwork to accentuate the summer vibes of this signature home. From its private entrance above a towering Merbau verandah, the white brick manor presents with an expansive lobby, 6 bedrooms, 4 bathrooms and 3 living areas across two levels for guest house style accommodation with Airbnb potential. Italian Lofra appliances and chic black granite benches make for a stylish and practical kitchen in which to cook and entertain. Families seeking independent space for young adults and in-laws have a flexible floor plan with bedrooms and bathrooms on each floor – cleverly designed for poolside views from almost every angle of the main living wing. The upper level serves as a dedicated bedroom wing taking full advantage of the mountain backdrop through ornate arched windows. High ceilings, and lavish sized living space further enhance the lofty beauty of this hotel sized residence. From its high rising 846sqms (approx.), you can walk to Jells Park Primary and elite Caulfield Grammar, enjoy sweeping views of both the Macedon Ranges to the north, and the Dandenong Ranges to the east, and be just an 8-min drive to the vibrant retail and restaurant hub of The Glen. • ?
