AUCTION - IF NOT SOLD PRIORTropical tranquility and unmatched privacy abound at this expansive 411m² lakeside home. With just two neighbors and lookouts onto the pristinely kept Sheraton golf course and Reef Park Estate, 41 Endeavour Street is the perfect property for those seeking the quintessential Port Douglas lifestyle. Recently renovated to the highest standard, this four bedroom three bathroom home is ready for the next owners to enjoy. The home welcomes you through an impressive double door entry, flowing seamlessly into a large living room, entertainers kitchen, and spacious dining area. The kitchen itself is a gourmand's dream. Fitted with brand new appliances, Statuario Dior stone benchtops and splashbacks, ample bench space, a large pantry and copious drawers for storage, it truly is a chef's kitchen. A gorgeous servery window opens to an outdoor breakfast bar and overlooks the rear patio and BBQ area, creating a seamless flow to the back garden. An airy laundry room, full bathroom, and separate storage room with internal access from the double garage complete the ground floor interiors. Future owners will likely spend the majority of their time enjoying 41 Endeavour Street's spectacular outdoor areas. The indoor living spaces open out to an underroof alfresco patio with large scale fans and LED lighting, with ample space for a dining table and lounge. Perfect for entertaining or relaxed afternoons in the sun, a well-maintained grass lawn leads to the resort-style swimming pool, which overlooks the nearby lake and golf course. Back inside, the upstairs features four light-filled bedrooms, all of which open onto a shared balcony overlooking the spectacular back yard. All are fitted with new ceiling fans, air conditioning units and plenty of storage space. A primary suite offers a private ensuite bathroom with a walk-in shower and bathtub along with a walk-in wardrobe, while a second upstairs bathroom services the remaining bedrooms. 41 Endeavour Street truly leaves little to be desired. Pristinely kept with every modern convenience (and then some!), we don't expect this spacious family home to be on the market for long.
