Located along Fullarton Drive and facing out to the North, number 41 has a big shed approximately 15m X 8m which is set to the back of the block allowing plenty of room to build your new dream home. The land size is 747sqm and is on the high side of the road, with a double storey home you can achieve magnificent views across the lake to the mountains. Inside the shed has a theatre room, small kitchen, shower, toilet, concrete floor and is connected to power, water and sewer. Being north facing, Fullarton drive already has some quality homes, which will only enhance the value of your property in the future. The owner also has a set of architect designed plans for a new dwelling on the block. For further information, please contact Bret Ward on 0427562644.
