Absolutely! It's time to celebrate because this property truly stands out as the perfect fit you've been searching for! Designed to accommodate the entire family, there's something here for everyone to enjoy. Featuring four generously sized bedrooms, some of which are oversized, the master boasts walk-in robes and a beautifully renovated ensuite. The main bathroom has also undergone renovations, ensuring both style and functionality. In addition to a formal lounge, the open main living area offers a spacious meal and living space, seamlessly connected to the updated 2-pack kitchen. Complete with sleek bamboo benches and top-of-the-line 900 MM stainless cooking appliances, including a drawer dishwasher, this kitchen is a chef's delight. Ducted heating and cooling provide year-round comfort, while an alarm system adds an extra layer of security. Step outside through chic French doors to discover a north-facing backyard, perfect for entertaining guests in style. The undercover pergola area, equipped with a retractable bistro blind, offers shelter and doubles as additional coverage for the automated double garage with rear access. Plus, a second workshop shed adds even more versatility. The expansive backyard, sitting on a 658M2 approx. block, provides ample space for children to play freely. This property truly offers the complete family package, ready and waiting for you to make it your own. The addition of solar panels is a great environmentally friendly touch, especially with the benefit of the highest feed-in tariff. And the location sounds ideal, with easy access to shops, schools, and public transport, making it convenient for everyday living. Overall, it seems like a fantastic property with a lot to offer.
