A fantastic lifestyle or investment opportunity, this modern, renovated three bedroom Forster home set in a central area of town within a five minute drive to both Burgess & One Mile Beach. This peaceful Forster pocket is a location recognised for its amenity and lifestyle with Stocklands Shopping Village a brief 2 minute drive or level walk away. This superb family residence boasts a flexible single level floor plan with impeccably maintained and presented interiors and private outdoor spaces. Low maintenance, landscaped surrounds create street appeal and embrace a home promoting a laidback lifestyle on a 700sqm parcel of land. Upon entry, you are greeted to a spacious open plan living area that boasts stunning raked ceilings, split-system air conditioner & stunning fire place for seasonal comfort. This zone flows from the modern kitchen that is complete with a neutral colour palette and equipped quality appliances including an electric cooktop, wall oven and dishwasher. There is ample bench space including a breakfast bar and generous storage options to more than satisfy your inner chef. This primary living zone offers access to an expansive, covered outdoor area. Perfect for entertaining, the alfresco area overlooks the generous and level easy care yard that offers beautiful landscaping & a garden shed. Back inside, there are three good sized bedrooms. All bedrooms feature built in wardrobes and ceilings fans. The master bedroom boasts a private ensuite, while guests are serviced by a family bathroom with a separate toilet. To complete the home, there is a large internal laundry that offers storage and external access to the sunny clothes line. There is a double automatic garage with drive thru on one side to the covered alfresco. With its peaceful street presence and convenient location, this contemporary home is ideal for those wanting a family friendly neighbourhood with proximity to all services.
