A modern home featuring a light filled design and a low maintenance concept. This lovely home is situated on 512sqm approximately with a northern orientation and provides a great family home, investment or downsizer. The spacious open plan provides 2 living zones, dining and kitchen area. With ample windows to capture the all day sun, this connects perfectly to the secure alfresco and backyard. The secondary living zone is ideal for a kids retreat or a more formal lounge space. Two guest bedrooms are well appointed with built in robes whilst the master suite is generous in size and has a walk-in robe and ensuite. This home includes modern appliances with a near new dishwasher, split system whilst also retaining central heating and a double garage. The front yard is also secure and provides additional play space. Situated close to Gateway Plaza, Homemaker Centre and the Hopkins River, this is the ideal opportunity. Settlement strictly 9/2/2024.
