\$730,000

Step into this beautifully revamped residence, where thoughtful design meets single-level convenience for your family. Recent renovations have injected a fresh and functional vibe into the living space. The property boasts a north-facing backyard that is not only a great space for entertaining family and friends but also serves as an ideal play area for children and pets. Additionally, its convenient location provides quick and easy access to the Hunter Expressway, granting you swift connectivity to various destinations within the Hunter Valley, Newcastle, and Sydney. - L shaped lounge and dining with polished timber floors, ceiling fan and split system air conditioner. - Large modern kitchen with electric cooking, dishwasher and ample cupboard and bench space. - Meal's area off kitchen large enough to be a second living or study space with ceiling fan and combustion fireplace. - Main bedroom offers ceiling fan, built in robe and stunning ensuite with shower, vanity and w/c. - Bedrooms two, three and four all with built in robes and ceiling fans. - Combined main bathroom and laundry has had a stunning makeover and offers access to the backyard. - Large double lockup garage with equally large double carport offers multiple parking options. - Privacy fencing with electric gate along the front boundary allows for a safe front and rear yard for children and/or pets to play. - Two lockup garden sheds. - 6-Kilowatt solar electricity system. - Approx 809m2 block.
