Built in 2014 and in 'as new' condition this fabulous family home is stylish, well designed and drenched in beautiful sunshine. With an elevated and North facing aspect there are stunning views out over Greater Devonport. Quality is evident from the moment you step onto the property. So, let's take you on a walk through. A grand façade and entrance greet you and you will be delighted with the wide staircase that takes you to the top level of the home. But first to the lower level... there is a larger than standard double garage with internal access. Storage is well taken care of with access under the stairs and also access under the house which is excellent for storing the larger items. The laundry is also hidden away here, which is a clever use of space. Heading up the impressive staircase this home opens up on the right to a grand sized lounge room complete with those big views. This flows through to a spacious dining room and an extremely beautiful and classically designed kitchen. Compete with all the 'bells & whistles' you would expect in a home such as this you will love the Smeg appliances, stone benches, soft close cabinets and spacious pantry. This is the perfect entertainer's home with access through glass sliding doors to the rear deck. In quality mod-wood, this deck is fully covered and partly glassed in so you can enjoy entertaining all year round. The 'other wing' of this impressive home has three very spacious bedrooms, bedroom 2 & 3 with built in robes and for convenience the main bathroom is situated between these two bedrooms. With the style consistent throughout the bathroom is quality though and through... having beautiful natural tones and bright white tiling, you can just add your own pop of colour. The master suite at the front of the home also enjoys the beautiful views, and with a walk-in robe and lovely ensuite you will suitably impressed. Outdoors sees low maintenance yards with a small lawn area, gorgeous landscaping with hedges and roses and plenty of off-street parking. Surrounded by other quality homes this beautiful family home is worthy of your inspection, so please call the listing agent Wendy Squibb for details or come along to one of our upcoming open homes... we will be delighted to show you through.
