We're proudly part of the ABN Group, Australia's leading construction, property and finance company, and owned by partners Aidan Hooper and Dale Alcock. The ABN Group was established in 1978. Since then, with a family of 22 companies across Victoria and Western Australia, we're still true to our philosophy of building every home as if it's our own. We've built more than 88,000 homes and we've steadfastly maintained our attention to quality. So, although you may be building your first home, we have built many. And with every home we build, we only get better. Specifically designed to maximise the view of the backyard from the open-plan kitchen and living areas, the Kingston is perfect for any growing family. The area is also complete with an e-zone so you have the perfect work space rather than needing an entire study. Another great feature is the generous master suite which has been smartly positioned to be nestled in between the other three bedrooms, particularly handy for expectant parents! Your new home will come standard with quality inclusions, industry leading guarantees/warranties and brand names that you can trust:

Fixed site costs
Exposed aggregate driveway
Quality floor coverings throughout
Tiled kitchen splashback
Westinghouse stainless steel appliances
Choice of matt black or chrome tapware
Brick infills over windows
25 year structural guarantee
12 month service warranty
7 Star energy rating

As part of the ABN Group, you can rest assured we have the strength, security and resources of Australia's leading home builder behind us. Find out more today! The Homebuyers Centre Team will be there to guide you through every step of the process, from the moment you step into a display home to the day you step through your new front door and beyond. Proud recipients of the 2022 ProductReview.com.au Award in the Home Builders Melbourne & VIC category. This award is a testament to the commitment our team has towards delivering a phenomenal customer experience. *****DISCLAIMER; *Price based on home type and floor plan shown and on builder's preferred siting.
