This charming split level family home blends space and functionality throughout, with its versatile floorplan, sun-drenched living quarters and accommodation for growing and established families. Occupying four oversized bedrooms, formal and informal living areas that unfold to the timbered deck with bi-fold doors, overlooking the enormous rear yard complete with a gazebo and inground pool. Capacity to create a dual living occupancy, sleek kitchen and ability to add personal touches, this property provides a peaceful sanctuary set in a desirable pocket within close proximity to quality schools, amenities, and transportation. Summary of Features: - Four large bedrooms with an ensuite in the main - Tiled and carpet flooring decorated throughout - Formal & Informal areas drenched with natural sunlight - Breakfast bar, stainless steel appliances and gas stovetop - Modern tiled bathrooms with separate shower and bathtub - Gated inground pool with double lock up garage - Detached pool house with diversity to create a gym or office - Reverse cycle air-con and an abundance of storage space - An amazing investment opportunity, set on a 959sqm corner block and R4 zoning
