Are you looking for a beautiful large home? Well, here it is! Be sure to inspect. This home features upstairs a huge master bedroom with an ensuite and walk in wardrobe, 3 other good size bedrooms with built-in wardrobes, upstairs living area with an amazing view, spacious main bathroom and separate toilet. Downstairs features a foyer, large lounge room, dining room which has double doors access into an enclosed pergola area which is great for entertaining, 5th bedroom with an ensuite which is ideal for parents to move in or guests to come and stay, enormous kitchen and open plan family and meals area, double doors in the theatre room with a combustion gas fireplace which adds to the appeal. There is also ducted air conditioning, alarm and dishwasher. Garden shed, 3 phase electricity and plantation shutters. The backyard has plenty of space and is nicely landscaped. The front yard is also nicely landscaped. There is a double garage with a remote door that has drive through access on one side to the enclosed pergola area. All of this on approx. 800m² block of land. According to Google the distance from this home to: Macarthur square shopping centre is 2.7km. Macarthur train station is 3.5km. To truly understand what this home has to offer your inspection is most welcome.
