Here it is! A quaint weatherboard cottage with an iron roof, built in the 1930's with all the charm of yesteryear. Nestled in a prime location opposite the rear of the hospital, this property exudes classic character and offers a perfect blend of vintage aesthetics and modern amenities. Revel in the fresh feel of new carpeting in the bedrooms and flooring in the spacious kitchen. The kitchen has a servery to the lounge and a new cooker ready to feed the family. The home has been recently painted inside and out and is now ready for you to add your personal touches to bring out its full potential. Maybe you want to build a decking on the rear of the house to maximise the view over Sounness Park to the Stirling Range??? With a block that is not too big so that you can easily maintain it or perhaps create the garden that you have always wanted. Plenty of room for a chicken enclosure, fruit trees and vegetable garden. There is side access to the car garage and room for your caravan and boat parking.
