This quality, solidly built home from the 1930s is full of wonderful surprises. Located in a prime position, that allows you to walk to and enjoy all that Mullumbimby town has to offer. Enjoy a Spanish Mission-style exterior that welcomes you immediately with a lovely Mediterranean garden setting. This stylishly presented home offers large spacious bedrooms, with floor to ceiling wardrobes, the main bedroom complete with ensuite. There are two other bedrooms plus another two separate bathrooms. Other features include a well equipped modern kitchen with quality gas cooking appliances, generous separate lounge with slow combustion fire and a spacious open plan dining, living flowing out to a tranquil Mediterranean style pool/entertaining area. One of the best hidden features is a massive double garage with an extra shed at the rear. It also includes a pottery/artist space with it's own toilet allowing for conversion to a fourth bedroom if needed. The possibilities of this garage and shed area are endless, adding great value and space to this beautiful home. This property has never been flood affected. Don't miss out on this rare opportunity to acquire this very special property. Property Code: 17
