Terrific opportunity, Original 1954 stud frame 3 bedroom home, complete with tiled roof, comprising 101m<sup>2</sup> of living. Yes it needs loving hands to bring it back to yesterday's classic appearance. Beautiful jarrah floor boards, desperate for sanding and coating. Large 769m<sup>2</sup> lot, close to town centre. Side access to original single garage. Yes! Also needs a dedicated landscape owner to create homely gardens. Be quick as it will fly out the window.
