\$64,000

An opportunity exists for a savvy buyer to own a large building block consisting of 1815m² (approx) in the historic town of Waratah. The property is nice and flat and enjoys views to the west of the Magnet Range and across the Tarkine. Easy stroll to the main centre, Post Office, Police Station, Roadhouse and importantly the Waratah Hotel. Zoned Village, makes for a awesome location to spend your days working from home with a view. The block has no water rates and with Waratah's high rainfall a water tank is all you need. Rich Basalt ground is ideal to setup your veggie garden and fruit trees.
