Discover the charm and convenience of this modern elevated cottage, offering lovely views over the town and easy access to nearby Dry Diggings walking track. Situated on a large block within walking distance to the town centre, this low-maintenance property blends contemporary living with serene surroundings. Some of the key features include:-
A spacious front sitting room with timber leadlight windows, leading through to the efficiently designed kitchen with ample counter space and storage, and the seamlessly connected dining area for easy family meals.
The home provides split system heating and cooling, and glass sliding doors leading to an outdoor entertaining area.
Both bedrooms include built-in robes with generous storage, while the main bedroom has dual access to the bathroom.
The bathroom features a bathtub, separate shower, and a separate toilet. Practical and functional, the laundry room has easy access to the backyard.
Protect your vehicle from the elements with the single carport attached to the house with direct access to the kitchen.
Enjoy a paved outdoor living area, perfect for entertaining, along with low maintenance gardens and a small garden shed for storage. This delightful home is perfect for first-time buyers, small families, or those looking to downsize, it's ready for you to move in and make your own.
