Proudly presenting 41 Williams Parade, situated in one of Bairnsdale's most sought-after locations, don't miss this rare opportunity to secure a solid north facing home with some of the best views over the Mitchell River Flats that Bairnsdale has to offer. Entering the home, you'll find a generous north-facing, light-filled living and dining space adjoining a central kitchen, fully equipped with electric cooktop, oven and dishwasher and walk in pantry. The master also shares the northern views, with built-in robes and its own private undercover retreat to soak in the winter sun and serviced by a separate bathroom and toilet. Heading into the southern side of the house, you'll find a well thought out extension. This guest wing includes a modern bathroom, second living space, and 2 additional bedrooms, both with built in robes. Situated on a large 813m² (approx.) the property also offers side access to the rear carport and 6x5.8m shed, affording plenty of cover and protection for all your desired toys. Located only a short walk to local schools and the Bairnsdale Aquatic and Recreational Centre while only being a few minutes to the Bairnsdale CBD, this is not a property to be missed. Call King & Heath today to book an inspection. Available 7 days.
