41 Willmott Drive in Hoppers Crossing is a delightful residence boasting three bedrooms, one bathroom, and the added convenience of being within easy walking distance of the Hoppers Crossing train station. This charming home is thoughtfully designed to provide both comfort and functionality. The three bedrooms offer ample space for a growing family, guests, or even a home office. The well-appointed bathroom and separate toilet caters for both relaxation and practicality, featuring modern amenities for the residents' convenience. One of the standout features of this property is its prime location within walking distance of Hoppers Crossing train station. This proximity not only enhances daily commuting but also opens opportunities for easy access to nearby amenities, perfect for investment opportunities. The residence itself has a welcoming atmosphere, with a design that facilitates a cozy and inviting living space. The convenience of being within walking distance to the train station and nearby shops adds a layer of accessibility, making it an ideal choice for those who value a well-connected lifestyle. This property is sure to appeal to individuals and families seeking a home that prioritizes both practicality and accessibility.
