Prepare to be utterly captivated by this extraordinary family home. From the very first glance, you'll find yourself immersed in an aura of pure elegance and uncompromising quality. Step into the master bedroom, and you'll discover a realm of opulence. It boasts a double vanity ensuite and an oversized walk-in wardrobe, adorned with floor-to-ceiling tiles and luxurious stone tops. This is the epitome of convenience and indulgence. The heart of this home is a breathtaking haven of natural light. The kitchen is nothing short of a masterpiece, boasting a lavish walk-in pantry, extended island benchtops, and a surplus of counter space that even the most demanding culinary virtuosos will admire. Designed with your family in mind, every room is thoughtfully serviced by a spacious, sunlit central bathroom. Outside, an enclosed alfresco area beckons, providing a haven for year-round entertaining, regardless of the whims of Mother Nature. Moreover, there's ample room in the backyard for children to frolic and family pets to romp freely. The interior is adorned with a plethora of high-end features that showcase true luxury: 60mm stone benchtops grace both the kitchen and laundry, while stone bench vanities and floor-to-ceiling bathroom tiles exude opulence. The 2.7-meter high ceilings, 2340mm interior design doors, and immaculate three-coat paint finish underscore the home's elegance. For added comfort and style, an electric fireplace sets the mood, and a magnificent stone feature wall, clad with 12mm stone, adds to the allure. The grand 1200mm entry door makes a lasting statement, welcoming you with open arms. Safety and convenience are paramount, as evidenced by the wired intercom system, alarm system, day and night blinds with pelmets, and motorized outdoor blinds. A garden shed stands ready to accommodate your storage needs. Structurally, this home is a testament to excellence. Laser level plaster batten ensures a seamless finish, while square set plaster adds to the aesthetic appeal. Robes with mirrored doors and custom-made semi-frame showers are just some of the thoughtful details. The structural integrity, including 400mm stud spacing, guarantees a solid foundation. In summation, this property is not just a home; it's an extravagant entertainer's paradise where uncompromising quality meets peerless luxury.
