\$613,000

The landmark 'Windsor & Co' building, right on High Street in the vibrant heart of Preston, creates a great context for this awesome 2 bedroom, 2 bathroom apartment where brilliant view from the huge wrap-around terrace bring the city skyline into focus. One of the very best south of Bell Street addresses - with exceptional investment credentials as well - complements this apartment's bright living/dining area featuring a contemporary open-plan kitchen with an integrated dish-washer, stone benches and designer storage. The immediately inviting bedrooms and elegant bathrooms include a main bedroom with an ensuite and its own balcony access while the second bathroom conveys and confirms the un-mistakable quality. A residents' roof-top entertaining area and secure allocated car parking further enhance a property of outstanding appeal and un-paralleled convenience literally moments from the Bell station, bus stop, tram routes, shops, cafes and Preston Market!
