AUCTION - 12 APRIL 2024

This 4 Bedroom, 2 Bathroom family home on 5Ha (12Ac) of usable land is right on the Macleay River. It's the perfect lifestyle property to feel safe, secure and secluded, to come home to at the end of the day and enjoy the peacefulness of living on a couple of acres by the river. Inside the home features: 4 Bedroom, main with ensuite and double built-in robes, ceilings fans and air-conditioning, views from almost every window. Yes inside might need a lick of paint, but that just leaves enough opportunity for you to truly make this place your own. But what you're really here for is the lifestyle, the house yard has been fenced for your pet pooch, with a cute little verandah for the morning cuppa, there's a couple of fenced paddocks for a horse or cow, several water tanks totaling just over 30,000L, dam, plenty of space and water for a vegie garden or fruit trees, and good shedding with a 6m x 6m shed with power. And then there's the Might Macleay River right at your fingertips, your own private oasis for a swim on a hot summers day, or your own little fishing spot, it's suitable to chuck in a tinnie or canoe and float your way up and down the river. You'll feel like you are miles away but in reality, you're close to all the conveniences of town, being approximately 15minutes from Kempsey - make your move and contact Carlos Peters today to own your own piece of magical Macleay River frontage. This property is headed to Public Auction on Friday, 12 April 2024, 1pm at the Kempsey Macleay RSL. DISCLAIMER: All information contained herein is gathered from sources we believe to be reliable.
