Price on Application

This acreage of 153 acres, offers native bushland with some cleared areas and has Blueman's Creek running through. Offering 3 different types of Eucalyptus and various plants that are rare, this property has different viewing areas throughout the property. Having solar at the property with water tanks in place ready for camping and spending nice and peaceful holidays on, whilst only being 15 minutes from Swansea on the Lake Leake Highway heading north towards Launceston. This property would certainly tick all the boxes for those wanting the off grid life and for those that don't need the hussel and bussel of everyday life.
