Please feel free to contact us for the property video or more information Brand new, superbly appointed and filled with glorious northerly sunlight, this attractive, 2-bedroom designer apartment is part of the highly-anticipated 'The Seasons' building in a prime, Doncaster East setting. Directly opposite The Pines Shopping Centre and just a few minutes from The Eastern Freeway, the home is also convenient to vast expanses of pristine parkland, while offering you a refined sanctuary of urban sophistication. One of the largest 2 bedroom apartments in the building, the home highlights a sunny flow from open-plan kitchen / dining / living to a substantial balcony that is large enough for entertaining. Attractive light toned flooring complements stone kitchen bench tops and Miele appliances in an open-planned living area that is warmed by central heating and cooling system. The master bedroom is generously sized with its own ensuite, large built-in robes and a clever study nook, whilst the second bedroom enjoys the privilege of opening directly to the balcony. Accessed securely via intercom entry and an elevator, the home also offers basement parking, a storage unit and a highly convenient European laundry. Families will cherish a position with proximity to Milgate Primary School and East Doncaster Secondary College, as well as the ability to wander across the road to cafes, eateries and all your shopping needs, whilst the local bus services are first class, the parkland is plentiful and city access via the Eastern Freeway is wonderfully easy.
