Large block with unbeatable views of the Gold Coast. Dual living possible with this property, the main home has three bedrooms and one bathroom. And the second dwelling attached to the double garage has a single bedroom with ensuite bathroom. The house is fully furnished and comes with all the essentials needed for you to move straight in. The property is 3.9 Hectares (10 acres), most of which is bushland on a steep slope. The gardens are a manageable size and can be maintained with a regular lawn mower.
