Promoting paradise for the style savvy, this breathtaking home has been comprehensively designed to portray a modern masterpiece that fuses contemporary style with cohesive indoor-outdoor entertaining, all in the heart of Healesville. Inside, the essence is open and airy with the central lounge room lavished with sleek floorboards and complemented by large windows for added illumination. The space is the true hub of the home incorporating the dining zone along with the gourmet kitchen where you can feast your eyes on an ample amount of bench and preparation space, free standing gas and dishwasher, a butler's pantry plus an island breakfast bench. Affording a smooth indoor-outdoor transition, stacker sliding doors open onto a undercover deck and alfresco entertaining zone with views into the garden oasis, there is also a second deck for contemplation and relaxation with further outlooks onto the landscaped gardens. The thoughtful inclusion of an observation tower will bring the new owners delight, whilst the four bedrooms family bathroom and ensuite effects take care of accommodation needs. All brilliantly topped off by ducted heating, split systems, dedicated laundry and an extra wide driveway for parking. Nestled on 2036m² approx, moments from the excitement of Healesville's Main Street precinct, this property offers a convenient lifestyle along with family proportions.
