**\$425,000**

Front facing apartment boasting feature windows up to it's raked ceilings, making the most of the spectacular views of the Alpine Ranges, and bathing the apartments large open plan kitchen/living/dining in an abundance of natural light. One of only four apartments offering this configuration, Arlberg 4155 is twice the width of the majority of apartments in the complex providing spacious living and entertaining. With two generous bedrooms and a large bathroom, the apartment can comfortably accommodate 2 families, sleeping 8 guests, and is ideal for holiday rental or seasonal accommodation. The Arlberg complex is centrally located in the heart of the Hotham village with direct access to the Great Alpine Road (no over snow required). The complex offers a fully licensed bistro, pizza cafe, bar, licensed store, heated indoor pool, sauna and spa, house guests laundry and snow sports hire.
