Location, location, location just went to another level! Be spoiled by stunning and uninterrupted ocean, lighthouse and Wollongong golf course views when you move into this two-bedroom apartment at the over-55s, semi-retired 'The Links Seaside by Warrigal.' Experience the retirement you deserve and enjoy a slower pace of life playing golf, swimming in the ocean, dolphin watching from your balcony or walking on the sand in the late afternoon, all just footsteps away. This two-bedroom, two-bathroom apartment on level four is truly the stuff that dreams are made from. Step inside to a kitchen that has only the best fixtures and fittings and plenty of storage. The open plan living area flows effortlessly to an outside covered balcony that has views for days in what can only be described as a luxurious outdoor living space. The light filled lounge area captures the views and there are floorboards underfoot, downlights above and airconditioned comfort. Wake up to the sun streaming through your bedroom window in either of the east facing carpeted bedrooms. The main bedroom has two built-in-robos, an ensuite and a sliding door onto the balcony. The second bedroom has a robe and a door out to the balcony. Both bathrooms are large and feature quality finishings. The apartment also has a single lock up garage and a separate storage cage. When it comes to amenities and lifestyle, this is as close to paradise as you get. To keep active, choose between the lap pool, tennis court or well maintained and appointed gym. To relax, sit in the sun room with huge windows, chat with other residents and choose something to read from the library. There is also a hairdresser on site. This gated community offers security and community as you move through each phase of your retirement years. There is a flat level walk to town, cafes, and entertainment along the walk way or cycle way, plenty of social activities and a sporting calendar that will keep you busy all year round with nearby WIN stadium and entertainment centre. Call Tim to book your inspection.
