This impressive one-bedroom one-bathroom apartment is nestled high up in one of the towers of the near-new "The Beach Shack" development, occupying one of the most spectacular seaside settings imaginable, just footsteps from the golden sands and crystal-clear waters of the redeveloped Scarborough Beach foreshore. Your own alfresco-style balcony possesses breathtaking inland views and allows you to absorb sensual sea breezes, at the same time complementing access to shared first-class complex amenities – inclusive of an outdoor shower, a workshop, bike racks, a surfboard and wetsuit storeroom, a kitchen and dining area, an external barbecue area, a firepit and a games area, with pool and ping-pong tables. Connected to the balcony is a carpeted open-plan living and dining area that flawlessly incorporates a beautifully-tiled corner kitchen into its airy design. The sleek kitchen itself plays host to sparkling stone bench tops and attractive splashbacks, quality tap fittings and integrated electric cooking appliances. Also carpeted for comfort is the sole bedroom, complete with a fitted walk-in wardrobe. The bedroom is impeccably-appointed and fully-tiled with a walk-in rain shower, toilet, vanity and an open European-style laundry that makes the most of the wall space on offer with its stone bench top, stainless-steel wash trough and a place to hang your clothes internally. There is also secure parking for good measure, with a single car bay allocated to the apartment. Everything you need is only walking distance away, including bus stops, cafes, restaurants and bars. This is coastal convenience of the absolute highest order!
