PERFECT TWO BEDROOM, FULLY FURNISHED PORT DOUGLAS APARTMENT Here is a fantastic opportunity to secure yourself a luxury Port Douglas apartment at the popular Pool Resort, ideally located close to the heart of Port Douglas and just a short stroll to Four Mile Beach. This complex has recently been freshly painted with further upgrades and projects scheduled for later this year to enhance the value of the property. The complex has plenty of parking options and a large secure underground car park. However, the feature that makes this complex most attractive to guests and owners is the amazing 185 metre resort pool running along the length of the complex providing that WOW factor! The apartment has good quality fixtures and fittings and recently renovated with new flooring, air conditioners, blinds, electrical LED light fittings, fans and completely new bathroom design. Situated on the first floor, overlooking spectacular views over the main lagoon pool and Daintree National Park rainforest and mountain ranges providing plenty of natural light. The property offers complete flexibility to either live as a permanent resident, short term holiday let or rent the property on a long-term rental basis. The apartment is currently advertised on Airbnb and Bookings.com and managed by the owner. Alternatively, the apartment can be included in the letting pool and managed by the onsite managers. Imagine yourself relaxing on the balcony admiring the sunset and natural beauty of Port Douglas. Contact today for a private viewing with James or Elaine.
