A truly magnificent 'Mountain Retreat' or family home, created to provide exceptionally spacious surroundings with designer aesthetics, flowing living spaces and a relaxed entertainer's layout. This expansive mountain weatherboard home offers a fantastic family lifestyle of timeless style, resounding quality and generous comfort throughout. Naturally light-filled with rich timber finishes, high ceilings and a wonderful sense of space and character, featuring ample accommodation for family and friends including multiple bedrooms, and a spacious two bedroom apartment with separate access. Set in a secluded pocket on an impressive one acre of land with well-established low-maintenance gardens, lush lawn areas and a private bush backdrop. The owner's vision was to establish a quiet, creative country environment in harmony with the natural landscape, and the result speaks for itself. It's only five minutes from the charming hamlet of 'Wentworth Falls', but with its secluded location, you would never know. - Offering a large formal living area with feature stone fireplace - French doors leading from the living room out to the entertainer's deck - Stunning picture window in the gracious living room overlooking the gardens - The first floor offers four elegant bedrooms and two stylish bathrooms - Ground floor also features another bedroom with ensuite and walk-in robe - Generous home office and large laundry with drying room and storage - Well-appointed gourmet kitchen with granite benchtops and island bench - An expansive two bedroom apartment with kitchen, living, dining, bathroom - An abundance of parking with quad sized carport, separate single carport and ample visitor parking bays - Located only moments to Wentworth Falls bushwalks and world-class views
