Peacefully secluded within lush natural surrounds, this unique mud brick home offers a spacious design with character appeal, and set on an expansive double block of approximately 1,979sqm. The warm interiors feature soaring timber lined ceilings and a wealth of glass that effortlessly invite the outdoors in. The locally sourced slate flooring adds a touch of sophistication to the open-plan living, kitchen and dining area, which opens up to the serene garden vistas with mature fruit trees and many special plantings. Situated just a short drive away from Wentworth Falls village shops, boutiques, and Bullaburra train station. This home offers seclusion, charm and year-round comfort.- Separate studio space with shower and w/c plus beautiful bush outlook- Large slow combustion fireplace in the living room- Country style kitchen with gas cooktop and ample storage space- Two spacious bedrooms and a large home office/creative space- Good off-street parking available and two garden sheds in the rear yard- Character bathrooms and a generous laundry area- Stunning stained glass windows throughout and beautiful natural light- Veggie gardens, cat run and partially fenced grounds- A wonderfully unique property with an abundance of character and charm- Ideal for those seeking a tranquil space surrounded by nature
