It is with great pleasure that Ray White Angle Vale & Elizabeth and "Team Ulbrich" present this superb three-bedroom modern home set in a quiet pocket in the 'Almond Grove Estate' of Munno Para West. Nestled among other beautifully presented homes and situated on a 300m² block (approx.), this home offers low maintenance gardens, has brilliant street appeal and is located across the road from Acacia Reserve. As you enter the home, quality flows nicely with its hybrid wooden flooring throughout. The master bedroom boasts a walk in robe and an ensuite offering a shower, a toilet and a basin with all the modern fixtures and fittings. The remaining bedrooms are also generous in size and come complete with floor to ceiling mirrored built in robes. All bedrooms are carpeted with the inclusion of ceiling fans. The second bathroom comes complete with a bath, a shower, a basin and a separate toilet nearby along with all the modern fixtures and fittings. The large laundry offers exceptional space for all your cleaning appliances along with a linen cupboard and outside access through the sliding glass doors. The open plan kitchen/dining and family area is simply stunning and perfect for endless entertaining. The kitchen offers ample bench space, plenty of under bench and above bench cabinetry, a 900mm stainless steel upright gas and electric cooker perfect for the home chef, a dishwasher to ensure clean ups are a breeze and a large fridge alcove to house side by side and French door fridges. The living space is ideal to entertain guests and not let you miss out on the entertainment while preparing warm home cooked meals. But why entertain inside when you can entertain outside under this homes superb gabled pergola with decking. No party is too large to gather under this with white pebbles scattered alongside, an array of established shrubs and the addition of synthetic turf to summarize all aspects of what an Australian backyard should look like.
